

In view of the circumstances pointed out, it is essential to carry out investigations, including the exceptional removal of individual guarantees that cannot be used as a real protective shield for the practice of illegal activities, nor as an argument for removing or diminishing civil or criminal liability for criminal acts, under penalty of disrespecting a true Rule of Law (HC n° 70.814-5/SP, Rel. Min. CELSO DE MELLO, First Class, DJ of 24/6/1994).

Thus, as reported, the decision handed down on 8/1/2023 ordered the blocking of several profiles/channels owned by BRUNO AIUB MONTEIRO, known as "Monark", on the social networks Instagram (@monarkoficial), Rumble (<https://rumble.com/Monark>), Telegram (<https://t.me/monarktalks> and <https://t.me/monarkk>), Tik Tok (https://www.tiktok.com/@monarktalks_) Twitter (@monark) e Youtube (<https://www.youtube.com/@MonarkTalksCortesOficial>).

However, in a new channel created on the Rumble platform (<https://rumble.com/c/Monarkx>), which already has 287,000 followers, BRUNO MONTEIRO AIUB, as reported by AEED/TSE, once again spread fraudulent news about the actions of this SUPREME COURT and the SUPERIOR ELECTORAL COURT, in the following terms:

"Monark says: 'And it's not the guy who's going out there, fighting and putting up... because every time the Supreme Court makes a move like that, it spends political chips. That costs him. [...] So why is it (the Supreme Court) willing to pay this cost? Why is it willing to **guarantee non-transparency in the elections? We see the TSE censoring people, we see Alexandre de Moraes arresting people, you see a lot of things happening, and at the same time they prevent the ballot boxes from being transparent? You get suspicious, what kind of shenanigans are going on in those ballot boxes?**

Why is that? Why doesn't our political system want to let the Brazilian people have more security? What is their interest? Manipulating the ballot box? Manipulating the elections? That's what I keep thinking..."

In addition, the AEED/TSE indicated the creation of several other profiles, in complete disregard of the decision previously handed down:

Twitter: <https://twitter.com/MonarkVoltou> (16,2 thousand followers)

Instagram: <https://www.instagram.com/monark.talks/>
(101,000 followers)

Telegram: <https://t.me/monarktalks>

Discord: <https://discord.gg/8NKCauHf9>

Thus, it is necessary, appropriate and urgent to stop the possible spread of hate speech, subversion of order and encouragement to break institutional and democratic normality by blocking accounts on social networks, with the aim of stopping the injury or threat to the right (art. 5, XXXV, Federal Constitution), as previously pointed out.

In view of the above, I hereby DETERMINE that a letter be sent to DISCORD, META INC., RUMBLE, TELEGRAM and TWITTER, so that, at the earliest possible date, the following may be sent to them within 2 (two) hours, block the channels/profiles/accounts listed below, under penalty of a daily fine of R\$ 100,000.00 (one hundred thousand reais), with the provision of their registration data to this SUPREME COURT and the full preservation of their content: [add all the links indicated:
